

MAINTENANCE INSTRUCTIONS

OPALI

Code 1201V**

This product is just for interior.

Vases are all made of mouth blown glass and free-hand finished according to the artisanal tradition of Murano glass handcrafted production.

Fragile glass. It might injure. The utmost caution is recommended. In case of damage, please use protective gloves.

Keep away from children. Not suitable for food use.

In all cases a mixture of glass is used: glass features and processing techniques make glass inert material.

Instructions are general. Therefore, shapes of glass lamps might differ from illustrations.
